

## KETTLE WATER TANKS – MOROCCO

Below you can see pictures of a **ZINGA** application to protect water tanks, mounted on trucks, in Casablanca, Morocco.

These works have been done on several tanks, for several Moroccan towns, in 2005 and 2006.

**System:**

Surface preparation:

Blasting SA 2,5

Application duplex system:

ZINGA 1 x 80 µm DFT

(brush and spraygun)

Local PU Topcoat
