

TRANSFORMER'S RADIATORS – SAUDI ELECTRICITY COMPANY (NATIONAL GRID) SAUDI ARABIA

In 2017 **ZINGA** was applied on transformer's radiators, its edges and corroded parts.
It is the first application of **ZINGA** on such structures at the **Saudi Electricity Company (National Grid)**.

Radiators prior to **ZINGA** treatment

Radiator during **ZINGA** application

System:
ZINGA 120 µm DFT
